Subject: FW: Please complete the eSurvey on the partnership structure of the Santa Monica Bay National Estuary Program (SMBNEP) by the March 4th deadline

Fellow SMBRC TAC members,

Attached is information regarding a survey of Santa Monica Bay National Estuary Program (SMBNEP) structure and governance that is being conducted by SMBRC; the TAC is part of this structure. You should have received a request to complete this survey by Monday, and I hope that you will (or have) participate. This is an opportunity to improve the effectiveness and transparency of the program and is an important step in fulfilling the Program's mandate and responsibilities to EPA and the public.

Comments are due on March 4.

Thanks for your help,

Steve

Dear members of the Santa Monica Bay National Estuary Program Management Conference, Interested Stakeholders, and Members of the Public,

This is a follow-up to my e-mail last week to remind you that the March 4th deadline for completing the eSurvey is fast approaching. Thank you for those who have already completed the survey. But if you have not, we urge you to get it done in the next three days before the deadline. As we stated earlier, your input is critical to determine the governance structure of the SMBNEP that will address your priorities and solidify the partnership to achieve our common goals laid out in the newly adopted Action Plan.

To complete the survey, please go and click at <https://www.santamonicabay.org/santa-monica-bay-national-estuary-program-smbnep-information/>. Reference materials, being federal guidance and the enabling legislation for the Santa Monica Bay Restoration Commission (SMBRC), are available on the same webpage or on SMBRC's website at https://www.smbrc.ca.gov/about_us/orientation/.

Your time and energy to support the SMBNEP are much appreciated. We look forward to hearing from you.

Please feel free to contact me if you have any questions.

Sincerely,

Guangyu Wang
